**Bororen Playgroup based at Bororen State School**

Our school based playgroup operates every Wednesday and Thursday. These days coincide with our Pre Prep program and we are always striving to support our young learners and their families.

Playgroup is a great way to meet and make friends. Playgroup, provides young children with opportunities to engage in social experiences and learning engagement. We welcome everyone.

**Our next project**

The school is working towards putting shade over our playground. This will improve the area and facilities for not only our school students but also our community groups such as Playgroup.

We are also working on getting the sprinklers going in our garden beds.
Keep our community strong
We all need to make sure that we all support our local businesses and events. It is vital that we do this to ensure the future of our local community.

AFL AUSKICK Program
Auskick is not on this Friday. Due to Ben needing to be in Brisbane this week. Auskick will not be on this Friday. The program will definitely be on the following week.

Exemption from school
If your child is going to be absent for greater than 10 days please notify the school. Under certain circumstances an exemption from school can be applied for.

FROM THE P-2 CLASS
As you may see on Monday Mrs Bev and Ms Cathy was able to freshen up and repaint our doors and pin boards so the room looks a little brighter. Hopefully they will be able to get on the seats outside so that we will have a whole new colour scheme happening.

This term as part of our PE/Sport we participate in T-Ball on Wednesdays. All of the children are able to participate in this activity extremely well (They all participated last year as Kindy kids). Lots of fair hits and great fielding make it a very competitive session when the two teams compete.

Don’t forget spelling test and library on Fridays.
Year 3-6 news

Every morning Mr McCarthy takes the students out to play a team sport. At the moment Hockey is very popular. The students play sport each morning and also in the afternoon a Wednesday. They have been learning a wide range of sporting skills throughout the year.

Every morning after fitness training we commence our day with a literacy block. During that block the students will read, engage in spelling, comprehension, hand writing activities. We then split into 3-4 and 5-6 groupings for focussed English lessons. Students at the moments are writing persuasive texts on a range of topics and investigating from a range of sources.

A big thank you to Mr McCarthy. Mr McCarthy has the students out every morning playing team sport, learning drills and improving their fitness.
